OUR GOAL

Our goal is to assist parents as they train their children in God's ways. We seek to create a loving and nurturing environment where children ages 1-4 can learn, explore, and make new friends. We encourage each child to grow in godly character, and develop their skills by having a variety of opportunities to experiment and role-play. We believe children will develop physically, mentally, socially, and spiritually as they learn through age-appropriate activities while they attend CCP. The Preschool is a part of Celina Christian Academy, and we work closely together to ensure the best experience for everyone.

CURRICULUM

Our preschool curriculum is designed to make learning fun. We use a creative, hands-on approach to stimulate and excite each child about the wonders of God's world. Our Christian approach to learning includes Bible lessons and Scripture memorization. We build their skills and development with art projects, dramatic play centers, and manipulatives for math and reading skills. Also included is a music class, allowing the children to express themselves with singing, fingerplays, and rhythm.

FACULTY

Our teachers are dedicated Christians who bring enthusiasm, creativity, and love of learning to the classroom. A criminal history check and a TB test are required of each teacher. Our teachers are trained in CPR and First Aid every two years. Teachers are also required to have 15 hours of continuing education each year.
